

HCS HB 349 -- Commercial Motor Vehicle License Plates (Brown)

COMMITTEE OF ORIGIN: Committee on Transportation

Currently, a property-carrying commercial motor vehicle registered at a gross weight of more than 12,000 pounds is only issued one license plate. This substitute allows an owner of one of these vehicles to request and be issued two plates. The Director of the Department of Revenue must place distinguishing marks on the plates indicating one is for the front and one is for the rear. The director may assess and collect an additional charge not to exceed the fee charged for personalized plates for the second plate.
